To all my family, friends and loyal customers:

After an amazing 25 years of serving the Westfield community, I am closing the doors of Theresa's Restaurant. While I am ending this professional chapter, I will be moving on to another business opportunity.

This decision was not an easy one and along with it, comes much sadness and a heavy heart. I have truly enjoyed serving you all with delicious and memorable meals at Theresa's, Isabella's, and Mojave Grill over the years. I have met so many interesting and kind people who became regular patrons and participated along with me at school, charitable fundraisers, and community events. I am eternally grateful and will miss each and every one of you.

Downtown Westfield has been a wonderful place to conduct business but unfortunately, difficult economic times and regulatory restrictions make it impossible to keep the doors open.

I am looking forward to the next chapter in my life and hopefully, our paths will cross again soon.

Sincerely,
Robert Scalera
